

Freecoins24.io

We promote your airdrop!

Check our services to get a successfull airdrop campaign.

Marcel Hess

Co-Founder Freecoins24

Always happy to find new airdrops.

Talha Uslu

Co-Founder Freecoins24

Always happy to help project for success.

Freecoins24 has one of the largest cryptographic communities.

This platform consists of **500,000 social followers**.

Freecoins24 has managed many airdrops in its current time, we own a huge number of emails (**1m cleaned** email list).

We provide a complete set up for Airdrops so that the user can focus on the best outcome of an ICO campaign. If you have already started your Airdrop campaign, we offer various action packages and services. With us you quickly reach a large community.
